

INTERACTIVE PANEL

bundleboard i

QOMO's BundleBoard i is a comprehensive Google EDLA certified Interactive Display that fully embraces Google's ecosystem.

Equipped with **AI and Google Voice Assistant**, it enhances productivity and simplifies collaboration, offering a smarter, more connected experience.

✓ What Sets the BundleBoard i Series Apart

INTUITIVE INTERFACE

Specifically designed to be **intuitive for the end-user**. Customize and access what you need directly from the home screen.

ADVANCED SECURITY

Never worry — EDLA certification means staying up to date with all the latest google security patches. Meaning protection against unauthorized access, cyber attacks, passwords, and data loss.

ACCESS EVERYTHING AT ONCE

Have access to thousands of apps from Google Playstore. Use the split screen mode to view multiple apps at the same time.

SCREEN CAST AND FILE SHARE

Not only can you cast multiple devices from different platforms with built-in wireless screen sharing that supports airplay, chromecast, miracast, and webcast, but you can also send files to the board with a click of a button.
